## FOR IMMEDIATE RELEASE

The Regina Red Sox are proud to announce our 2021 Virtual Gala presented by Park Avenue Builders taking place June 17, 2021 at 7:30 pm.

Our guest speaker, sponsored by Century 21 Dome Realty, is Cody Fajardo, quarterback of the Saskatchewan Roughriders. Derek Taylor of The Sports Cage will be conducting the interview with Cody, as well as chatting with Kaleb Dahlgren, author of Crossroads, ambassador for the Juvenile Diabetes Research Foundation, and survivor of the Humboldt Bronco's bus crash.

Our event would not be complete without being able to offer some great auction items, as well as an opportunity to win a progressive 50/50. New auction items will be added daily beginning May 12/2021 and the 50/50 draw will take place on the night of the event with tickets being available for purchase as of May 12/2021.

Both Western Pizza, and the Turvey Convention Centre & Lounge will have dinner specials available for purchase with pickup and delivery options being offered.
