#### 2019 CUMULATIVE DISABLED LIST-Max Of 2 Players On DL At Any Given Time

| Uniform<br>No. | Last Name | First Name | Position | Date Place on DL | Date Eligible For Play | Injury |
|----------------|-----------|------------|----------|------------------|------------------------|--------|
|                |           |            |          |                  |                        |        |
|                |           |            |          |                  |                        |        |
|                |           |            |          |                  |                        |        |
|                |           |            |          |                  |                        |        |
|                |           |            |          |                  |                        |        |

#### Players listed on the Disabled List must meet the following requirements:

- 1) The DL shall only list players from the Official Player Roster who cannot play due to injury.
- 2) Teams shall be required to provide independent, written medical evidence confirming the player's injury and inability to play. The form and contact of such medical evidence shall be be up to the discretion of the Compliance Officer but it is the intention of this rule that players unable to play shall be considered appropriately listed on the DL.
- 3) Players may be disabled retroactively, up to a maximum of 5 days from last roster appearance.
- 4) The DL of each team shall be limited to no more than two (2) players at any given time.
- 5) Once a player is placed on the DL he will remain there for a minimum of 10 days and be considered ineligible for play for the duration of that period.
- 6) Players placed on the DL may be replaced on the team's Official Player Roster by other players eligible for play in the WCBL based on the league's general eligibility rules.
- 7) A team may move a player from the DL to it's Official Player Roster up to and including the DL dealine date of July 22nd in any give WCBL season, provided however that the team's Official Player Roster shall at no time exceed the roster limits prescribed elsewhere in the WCBL rules & regulations.
- 8) Teams shall provide the Compliance Officer with timely written notice of:

Any player placed on the DL

Any player coming off the DL

Any player replacing a player going on the DL

Any player dropped from the Official Player Roster as a result of a player coming off the DL
