A message from the Red Sox

Sponsors

I just wanted to reach out to thank you for being a Red Sox Sponsor this year.

Except for our record, I am very happy with the way the season unfolded. We made great progress in the game day entertainment and its was reflected in our attendance. We set another record for attendance hosting over 23,000 fans which was an increase of more than 6400 from 2022, which had been our best year to date.

Our sponsorship numbers increased almost 40% from 2022 due to your participation and generosity!

Looking ahead we will continue to be the team that provides very affordable family entertainment in Regina, and we look forward to filling Currie Field next year.

We have presented a term sheet to the City that will make it to City Council in the next couple of months. The Coles notes version is basically DSG Philanthropic in Saskatoon believes they can raise us \$4M to \$8M towards the facility. It is time for the City to either say "yes" we want to participate and if "no" get out of our way either by leasing us Currie Field for \$1 year and let us do a major reno or plan B do something outside City limits. Stay tuned for more information!

Once again, thank you for your generosity to the team. We look forward to our partnership with all our sponsors in 2024!

Host Families

On behalf of the Red Sox thank you for billeting a Red Sox player this past season. The season can be long and there are lots of late nights that can interfere with your sleep and life in general.

Once again, thank you for your service to the team. We can't bring any players to Regina if we don't have places for them to stay. My conversations with the players were always positive when asked how they enjoyed their stay in Regina and you're a big part of making their summer enjoyable!

Volunteers

Thank you to our volunteers in 2023. The Red Sox have a very small group pf people that make up our Board of Directors and we can't run this team alone. On any given game day, we need 40 plus volunteers to provide a positive experience for our fans. You are a very important part of that experience, and we look forward to seeing you back at Currie Field in 2024

On behalf of the Board of Directors

Gary Brotzel

President
