REGINA, Sk — HomeTeam Live is entering the live baseball coverage arena as the exclusive streaming partner of the Western Canadian Baseball League.

HomeTeam and Western Canadian Baseball League announced Friday that the HomeTeam Live App will carry all 308 Regular Season and Playoff games of the collegiate summer baseball league in Alberta and Saskatchewan. All games, including the WCBL opening day on May 26, 2022, will be streamed exclusively on HomeTeam Live.

The WCBL broadcasts will include play-by-play commentary, video content, score clock and more. The games will be available to fans worldwide. Each game is available live and on demand. Fans can watch from their mobile devices, computers, or smart TV.

“The WCBL is thrilled to announce this partnership with Home Team Live and raise the level of access to the premiere summer collegiate league in Canada to fans everywhere. Both existing and new fans to the WCBL will be provided with a top online experience to virtually every WCBL game in the 2022 season that will allow them to follow teams both at home and on the road on one dedicated platform designed to optimize the fan experience. We are excited to expand our fanbase through this new initiative and showcase our eleven communities which operate WCBL franchises.” - Kevin Kvame, President of WCBL

“We couldn't be more excited about partnering with the WCBL - a league in our own backyard in the prairies. Since our launch last summer, HomeTeam Live has added several new leagues plus significant app features that make the viewing experience unmatched. Now baseball fans that subscribe to this live streaming service will be

supporting WCBL clubs as this additional revenue stream will assist in the sustainability of baseball in Western Canada. Let's play ball!" - Tanner Goetz, CEO of HomeTeam Live.

To subscribe to watch all of the games, users can sign up on app.hometeamlive.com.

Users will be able to subscribe to the WCBL for \$69.99/mo or \$179.99/Season for access to all games played at participating parks throughout the year.
